

TCHS CLASS OF 1970 PLANNING COMMITTEE

November 2006

Dear Classmates:

As you may know, our friend and classmate Thom (Tommy) Whitbeck passed away from injuries sustained in an automobile accident in Houston, TX on July 4, 2006. You may also be aware of the fact that Thom was a noted wildlife artist having published many of his works. Thom had previously converted six of his paintings to "all-occasion" cards (blank inside) and had proposed to the Planning Committee that they be used as a Class fund raiser.

The Planning Committee has acquired a limited quantity of these cards and is pleased to offer them for sale in sets of 12 cards (two cards each of six different paintings) with envelopes for \$20.00, postage included. The Committee has also received a small number of prints of three of Thom's best works in a 16X20 or 18X24 format. These prints, suitable for framing, are available at \$100.00 each, postage included. To preview these cards and prints, visit the Class website <tchs1970.com> and click on the "Whitbeck Artwork" button. Profits from the sale of these items will be shared with Thom's family for his children's college trust fund.

Don't miss this unique opportunity to acquire some beautiful wildlife artwork at fantastic prices and provide much needed financial assistance to Thom's family in the process. These items would make great Christmas gifts for that sportsman or wildlife enthusiast on your gift list. Order today!

Please send _____ set(s) of all-occasion cards at \$20.00 per set \$ _____

Please send print(s) at \$100.00 each, as follows:
